Re: *Braulio Thorne on behalf of himself and all other persons similarly situated v. 7-Eleven, Inc.*, Case No. 1:19-cv-10072 JMF

Dear Judge Furman:

The parties write to request a postponement of the Court ordered early mediation and adjournment of the February 11, 2020 pretrial conference until after the Complaint is at issue. Currently, 7-Eleven's responsive pleading is not due until January 27, 2020, and 7-Eleven intends to file a Motion to Dismiss at that time. The parties have conferred, and are in agreement, that until the issues contemplated by the motion are briefed and adjudicated, a mediation would be unproductive and a pretrial conference would be premature. Therefore, the parties ask the Court to adjourn the early mediation deadline and pre-trial conference until after the pleadings are settled.

Very truly yours,
